

The Resource for Warehouse Logistics

4PL Corporate Membership Application

(for non-asset based warehouse logistics service providers)

The International Warehouse Logistics Association (IWLA) is a trade association that promotes growth and success of third-party warehousing, distribution, and logistics outsourcing companies. All memberships are companywide. IWLA will ask you to provide contact information for key players, although any employee at your company can access benefits.

My company hereby applies for membership in the International Warehouse Logistics Association (IWLA). I approve and agree to the purpose of the organization and its bylaws, which govern its affairs. I certify that I am authorized to act on behalf of the above company; that all the information reported in this application is accurate; and that the revenue reported is accurate for this fiscal year. I understand that if false or misleading information has been reported, my application may be denied.

Name as it appears on card

By joining IWLA, you: agree that you understand and agree to the IWLA bylaws; confirm that the information above is accurate as of the date signed; and agree to allow the IWLA Political Action Committee (IWLA-PAC) to be the one trade association authorized to solicit you and all other executive personnel for contributions. In addition, you give IWLA permission to include your company information in the association's directory of members and on the IWLA website. In addition, in accordance with the Omnibus Budget Reconciliation Act of 1993, IWLA estimates that approximately 1% of your dues payment is nondeductible as it is a "lobbying expense." The remainder (99%) is deductible only as a business expense; it is not a charitable contribution.

Additional Contact Information

Please tell us about others in your company who will benefit from direct contact with IWLA. The association creates specific content for operations staff, warehouse safety managers, HR professionals, IT administrators, emerging warehouse leaders, compliance professionals, and more. Once we receive your application, an IWLA representative will follow up for more information.
