**FOR IMMEDIATE RELEASE****Total Distribution, Inc. Honored with a 2025 Cascade Capital Corporation Business Growth Award**

CANTON, OH — October 21, 2025 — Total Distribution, Inc. (TDI), a Peoples Services Company, has been named a 2025 Cascade Capital Corporation Business Growth Award Honoree. The Business Growth Awards Program, presented by Cascade Capital Corporation, recognizes companies throughout Northeast Ohio that have achieved significant growth in sales and/or employment over the past five years. TDI and the other honorees will be recognized at the Business Growth Awards ceremony on October 2, 2025, at the John S. Knight Center in Akron, Ohio. In addition, the winners will be featured in a special editorial report in the October edition of *Smart Business Northeast Ohio*.

To earn this award, TDI's sales increased by 100% or at least \$5 million over the past five years, and its full-time employee base increased by 50% or 25 actual employees over the same period. These achievements reflect both the company's strength and the vitality of the local and regional economy. With over a century of service, TDI and Peoples Services have long been committed to the growth and well-being of their communities through industry leadership and service.

"We are honored to be recognized as a 2025 Cascade Capital Corporation Business Growth Award Honoree," said Doug Sibila, President and CEO of TDI. "This award reflects our team's dedication to our customers, employees, and communities, and it underscores our continued commitment to responsible growth and operational excellence."

Total Distribution, Inc. is the only third-party logistics and warehouse provider in the nation to achieve RC14001:2023 certification. This certification demonstrates its commitment to the highest standards of environmental, health, safety, and security management under the American Chemistry Council's Responsible Care® initiative. Furthermore, TDI is one of only three warehouse companies to earn both the ACC Responsible Care Management Certification and the NACD Responsible Distribution Affiliation underscoring its commitment to safety and sustainability.

**About Total Distribution Inc.**

Total Distribution, Inc. (TDI), a wholly owned subsidiary of Peoples Services, Inc. (PSI), operates more than 12 million square feet of warehouse space across 70 facilities in eight states. TDI and PSI provide specialized material handling and storage services, including drumming, milling, tolling, packaging, kitting, inventory management, transloading, cross-docking, transportation, and brokerage. Many facilities are rail-served, FDA-registered, and equipped to handle hazardous materials and food-related products.

TDI is RC14001:2023 certified and affiliated with leading industry associations including IWLA, OTA, ATA, and WERC. Four Ohio facilities have earned SHARP recognition for their commitment to workplace safety. The company follows AIB, GMP, and SQF standards.

A third-generation family business with roots dating back to 1914, TDI has been consistently recognized for its operational excellence and growth by organizations including Transport Topics, Smart Business, Weatherhead 100, Food Logistics, and the U.S. Small Business Administration. In 2024, TDI expanded its footprint with the acquisition of REO Processing & REO Logistics, D+S & Integrated Logistics Solutions, and the integration of Swafford operations.
