Total Distribution, Inc. Honored with a 2025 Family Business Achievement Award

CANTON, OH — October 2, 2025 — Total Distribution, Inc. (TDI), a wholly owned subsidiary of Peoples Services, Inc., has been honored with a 2025 Family Business Achievement Award by *Smart Business Magazine*. The Family Business Achievement Awards celebrate organizations that successfully balance strong business performance with family values and demonstrate innovative approaches to sustaining long-term success.

TDI was recognized for its proven ability to develop and implement successful transition plans that ensure the family business remains strong well into the future.

"We are honored to receive the 2025 Family Business Achievement Award, which reflects our team's dedication to excellence and our commitment to preserving family values in business," said Doug Sibila, Chief Executive Officer of TDI. "For more than 100 years, the Sibila family has focused on growth while giving back through leadership and service. This recognition underscores the strength of our people, our culture, and our vision for the future."

As part of the 2025 Family Business Conference, held September 4 at Tri-C Corporate College East, Sibila also served as a panelist during a discussion titled "Growth, Governance, and Guts: Sustaining the Family Business into the Future." The session explored strategies for navigating generational transitions, strengthening governance, and cultivating the resilience needed to thrive as a family-owned enterprise.

Since its founding in 1914, the Sibila family has remained deeply committed to business and community leadership. From volunteering to serving on numerous boards, TDI leadership has consistently contributed to organizations such as the Stark Development Board, Team NEO, the Massillon Development Foundation, the American Trucking Association, the Stark County Port Authority, Stark State College, the Boy Scouts of America, and NEOTEC, among others.

TDI and other honorees are featured in the [September 2025 edition of Smart Business Northeast Ohio](#).

About Total Distribution, Inc.

Total Distribution, Inc. (TDI), a wholly owned subsidiary of Peoples Services, Inc. (PSI), operates more than 13 million square feet of warehouse space across 72 facilities in nine states. TDI and PSI provide specialized material handling and storage services, including drumming, milling, tolling, packaging, kitting, inventory management, transloading, cross-docking, transportation, and brokerage. Many facilities are rail-served, FDA-registered, and equipped to handle hazardous materials and food-related products.

PSI is ISO 9001:2015 certified, and affiliated with leading industry associations including IWLA, OTA, ATA, and WERC. Four Ohio facilities have earned SHARP recognition for their commitment to workplace safety. The company follows AIB, GMP, and SQF standards.

A third-generation family business with roots dating back to 1914, PSI has been consistently recognized for its operational excellence and growth by organizations including Transport Topics, Smart Business, Weatherhead 100, Food Logistics, and the U.S. Small Business Administration. In 2024, TDI expanded its footprint with the acquisition of REO Processing & REO Logistics, D+S & Integrated Logistics Solutions, and the integration of Swafford operations.
