By joining IWLA, you: agree that you understand and agree to the IWLA bylaws; confirm that the information above is accurate as of the date signed; and agree to allow the IWLA Political Action Committee (IWLA-PAC) to be the one trade association authorized to solicit you and all other executive personnel for contributions. In addition, you give IWLA permission to include your company information in the association's directory of members and on the IWLA website. In addition, in accordance with the Omnibus Budget Reconciliation Act of 1993, IWLA estimates that approximately 9% of your dues payment is nondeductible as it is a "lobbying expense." The remainder (91%) is deductible only as a business expense; it is not a charitable contribution.
