By joining IWLA, you: agree that you understand and agree to the IWLA bylaws; confirm that the information above is accurate as of the date signed; and agree to allow the IWLA Political Action Committee (IWLA-PAC) to be the one trade association authorized to solicit you and all other executive personnel for contributions. Dues

Level	Square Footage	Dues
1	0 – 9,999	
2	10,000 – 49,999	
3	50,000 – 139,999	
4	140,000 – 199,999	
5	200,000 – 999,999	

For companies operating at or above 1,000,000 SQF, please provide IWLA with your current operating square footage on page 1. Your dues calculation is based on your actual square footage. While there are base-dues tiers like those above, IWLA has adopted a base-plus model for our top tiers. A multiplier (from .0005 to .002 cents a square foot depending on size) is assessed on space over the base. The goal is to more accurately assess dues.
